Sample Count	18254
Total Time(sec)	2306.4
Total Distance (Km)	15.46
Average Speed	23.77
LFM Integrated Volume	44.04219641385897
Joule Meter Integrated Volume	27501.0
Overall Fuel Economy	350.92
Max Observed Speed (Km/hr)	38.2

This data is provided for research purposes only. Telemetry data is not used to calculate, nor does it replace official results. NO protests and NO modifications to official results will be allowed based on telemetry data.

If this is a practice run, lap count might not match. Refer to raw .csvfile for complete data set.
