Sample Count	19157
Total Time(sec)	2283.0
Total Distance (Km)	15.42
Average Speed	23.85
LFM Integrated Volume	44.749093161715656
Joule Meter Integrated Volume	68703.0
Overall Fuel Economy	344.67
Max Observed Speed (Km/hr)	38.5

This data is provided for research purposes only. Telemetry data is not used to calculate, nor does it replace official results. NO protests and NO modifications to official results will be allowed based on telemetry data.

If this is a practice run, lap count might not match. Refer to raw .csvfile for complete data set.
